Young Fives's & Kindergarten Notification Request for 2015-2016 School Year

According to Michigan Law, if a child residing in Sand Creek Community School District is not five years of age on September 1, 2015 but will be five years of age not later than December 1, 2015. The parent or legal guardian of that child may enroll the child in young fives or kindergarten for the 2015-2016 school year if the parent or legal guardian notifies that he or she intends to enroll the child in kindergarten.

A school district that receives this written notification may make a recommendation to the parent or legal guardian as to whether the child is not ready to enroll in young fives or kindergarten due to the child's age or other factors. Regardless of the district recommendation, the parent or legal guardian retains the sole discretion to determine whether or not to enroll the child in young fives or kindergarten if the student is five years of age not later than December 1, 2015.
