Dear Sand Creek School of Choice Parent:

Whether you're a UAW Hall bus transportation family or not, I want to personally thank you for making Sand Creek Community Schools your school of choice. Without this significant group of families, Sand Creek Community Schools would not be able to offer many of the programs that currently exist. I trust that if given the opportunity, you will let other families know about our school and your quality choice. Make no mistake about it, first hand word of mouth has more impact on student enrollment than anything else. Thank you in advance for your support.

Sand Creek Community Schools is pleased to continue offering the UAW Hall transportation option for SOC families in the Adrian area. **We are also pleased to announce that starting this year we'll be able to pick up 20 more students than last year. Hopefully this will eliminate the dreaded UAW Waiting List once and for all.** The UAW Hall bus stop option provides SOC students an opportunity to be picked up and dropped off at the UAW Hall on Beecher St. in Adrian near the US-223 underpass. If you will not be using this option, there's no need to read further.

URGENT! - Regardless if you were on the UAW bus route last year or not, you must complete and deliver the enclosed registration form by August 14, 2015 to secure your seat/s on the Adrian- UAW Hall bus route. Although we're sincerely hoping to avoid it, once all of our available bus seats are filled, a waiting list will be re-established

Students who take advantage of this exclusive offer will be picked up at the UAW Hall at approximately 7:20 am and dropped off at the hall at approximately 3:20 pm. On half school days, students will be dropped off at approximately 12:15 pm. To utilize this service, a parent or guardian must be present and transport on both ends. If you used our stop last year, the drop off and pick-up guidelines will be the same format that was established last winter. The safety rules for the UAW bus stop are enclosed. The UAW Hall wants me to remind you that students are not permitted to enter the UAW Hall at any time during the pick-up and drop-off period.

If you are planning to use the UAW SOC transportation option, you must complete the enclosed registration form and return to either the elementary or junior/senior high school office by Friday, August 14, 2015. We urge you to follow through to secure your bus seat/s as soon as possible. Seats will be filled based on the order we receive registrations. Please direct all questions in regards to our SOC bus transportation program to Sue Vanderpool or Andrea Wheeler in the elementary office at (517) 436-3121 or email Mrs. Vanderpool at sue.vanderpool@sc-aggies.

Sincerely,

Steve Laundra, Superintendent
