Good, clear photos showing the quality of your crafts are required to jury your application. If available, please also send pictures of your booth set-up. Photos will not be returned.

Applications are considered on the quality and uniqueness of the display and craft items, not in the order in which they are received. The committee limits the number of booths for each category so as to not saturate the show with certain items (eg: jewelry, soap/lotion, etc.) Applications are accepted up to the date of show.

Applications may be emailed with photos, or mailed to the address above. ** All responses will be given via email unless a self-addressed, stamped envelope is provided to the committee. Do NOT mail a check at this time. You will be notified of your status with our show within a few weeks.
