Dear Parents & Community Members:

We are pleased to present you with our 2014-15 Educational Progress Report (AER) which provides key information on the educational of Sand Creek Community Schools. The AER addresses complex reporting information required by federal and state law. Our staff is available to help you understand this information. Please feel free to contact me if you need any help or assistance in interpreting of school district AER.

Sand Creek's school district AER is available for review electronically at the following link, <http://sc-aggies.us/wp-content/uploads/2016/04/AER-2014-2015-District.pdf>. You can also review a hard copy of the AER in the superintendent's office at Sand Creek High School. Each school building has their own AER and it will be communicated to their parents directly.

Sand Creek Community Schools is located in southeast Michigan about 7 miles south and west of Adrian, MI. Our rural school district's southern boundary borders the Michigan-Ohio state line. Sand Creek's main industry is agriculture. Aside from the Lenawee County ISD, Sand Creek is the only school district in our county that offers a four year CTE Agriscience program and F.F.A. chapter. Our graduating classes average 60-70 students. Nearly 50% of our K-12 enrollment is school of choice. Sand Creek's school of choice popularity is directly related to our school district's strong reputation as being a safe school that has high expectations for developing good character, strong work ethic and social skills. Sand Creek is a very proud school district and our community is very supportive and very involved in the daily operations of our school.

Our AER required data includes Student Assessment Data, our Accountability Scorecard with Detail Data & Status, Teacher Qualification Data and NAEP Data. All of this required data is included in the link.

On behalf of Sand Creek Community Schools, I would like to take this opportunity to congratulate our students, our parents, our faculty, our support-staff, our administration and our community on a job well done. While there will always be room for improvement, it goes without saying that Sand Creek is a very popular school of choice in Lenawee County, by virtue of its reputation for being one of the safest, warmest school environments in the county. This is validated by the fact that nearly 50% of our student population is "schools of choice." It takes a sincere effort by our entire school community to be able to be proud of everything our school accomplishes. We appreciate all of your effort and support! Again, congratulations on being part of a special public school district. You are appreciated. Thank you!

Sincerely, Steve Laundra, Superintendent
