February 22, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for Ruth McGregor Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Vicky Strang or Steve Laundra for assistance.

The AER is available for you to review electronically by visiting the following web site www.sc-aggies.us , or you may review a copy in the main office at your child's school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

Our school was identified as a "HAS NOT BEEN GIVEN ONE OF THESE LABELS".

Ruth McGregor Elementary recognizes that one of our key challenges is to continue to implement and support meaningful initiatives that lead to improved achievement scores for all of our students. Frequent assessment of student progress and collaborative scoring of student work is always a challenge, but continues to be a focus of our staff. One of the key initiatives that our school will continue to be implementing in 2015-16 is the "Capturing Kids Hearts" program designed by The Flippin Group. This nationally renowned program is designed to develop and strengthen relationships between teachers/staff and students. In addition to this initiative we offer additional instruction time for our first through fifth graders in our after school tutoring program. We also offer literacy support for our kindergarten through third grade students based on ongoing assessments and need. Parents are regularly informed of their child's progress through assessment reports and parent informational meetings. Our parents are encouraged to attend math and reading curriculum meetings in order for them to keep informed of the curriculum initiatives and benchmarks. We survey our parents several times throughout the school year as we welcome their feedback and input.

State law requires that we also report additional information:

1. We enroll both resident and non-resident students from Lenawee County or any county that borders Lenawee. Non-resident students are enrolled under Michigan Schools of Choice Act.

2. Ruth McGregor Elementary school is and AdvancEd accredited school. Our school district went through its five year external review in March 2014 and we have since been accredited for the next five years. Our school improvement team meets regularly to analyze school data and assess our school improvement goals, strategies and activities. We encourage parents to be involved in this process by inviting them to these meetings. Recently our school improvement team and staff is looking at our science data and curriculum. Based on our review and interim assessments we are in the process of implementing science into our school improvement plan. It is clear to our stakeholders that academic performance and school climate is evidenced with charts, banners, graphs, tables and displays of student achievement.
3. Ruth McGregor Elementary offers specialized programs and specialized settings through our Lenawee Intermediate School District. These programs include Speech and Language Services, Occupational Therapy, Social Work and a school psychologist.
4. Grade level expectations for pre-school through fifth grade are posted on the school website www.sc-aggies.us.
5. Ruth McGregor Elementary participates in state achievement tests such as the M-Step test and Early Literacy and Math Assessment.
6. For the 2014-15 school year 87% of our students were represented at our fall and spring parent teacher conferences. 89% of our students were represented at our 2015-16 parent teacher conferences. 94% of our students were represented at the 2016-17 fall conferences and 90% at the spring conferences.

On behalf of Ruth McGregor Elementary staff and administration I would like to congratulate our students for a remarkable year of growth and achievement. This could not have happened without our dedicated faculty and staff. Our teachers and staff are willing to give freely of themselves to provide many opportunities for our students. It is clear that academic performance is highly prized along with developing personal relationships between faculty and students.

Sincerely,

Vicky Strang, Principal

Ruth McGregor Elementary
