

30 September 2017

My name is Cole Salenbien. I am a Life Scout in Boy Scout Troop 659, out of Adrian Michigan. I am now in pursuit of my final rank advancement in the BSA, Eagle Scout. One of the requirements to achieve the great honor of Eagle Scout is to design, plan, and execute an Eagle Service Project. For my project I am combining two of my passions, scouting and band. I plan to design and customize a 16ft, dual axel trailer for the purpose of transporting instruments, equipment, and uniforms for the Sand Creek High School concert and marching band.

The interior of the trailer will be fitted with custom storage solutions to accommodate large instruments and uniforms that the band has a hard time transporting and organizing with their current system.

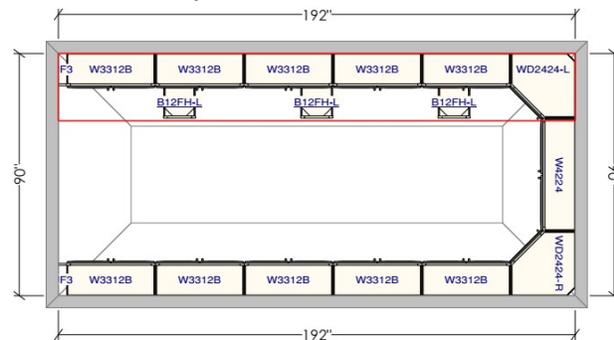

The biggest challenge in a project of this magnitude is obtaining the funding. The estimated total cost, based on my current plans, is approximately \$10,000. That is where you come in. I am looking for sponsors for my project. As a sponsor you will not go unrecognized. There is plenty of real estate on the trailer for business promotion or name recognition. However, to be recognized on the trailer a minimum donation (monetary or materials) of \$150 will be required.

Monetary donations should be made **payable to** the beneficiary, **Sand Creek Schools**, with a **notation of "Band Trailer"** in the memo. These can be mailed to **Sand Creek Community Schools, Attn: Ako Toma and Cole Salenbien, 6518 Sand Creek Hwy, Sand Creek, MI 49279**. This will allow for me to keep track of, and acknowledge, all donations.

Donations may also be made by e-check or credit card via MySchoolBucks.com by creating an account, selecting Sand Creek Community Schools, and adding a donation to "Eagle Scout Band Project".

#### Materials List

- 7.5ft x 16ft Trailer
- 96 square feet of carpet
- Uniform hanger bar
- 16ft x 3ft Counter top / equivalent
- Vinyl Lettering

Thank you for taking your time to read through my project plans and hopefully becoming a sponsor. If you would like any more information on my project, or are interested in donating in any way, feel free to contact me with the information below. I look forward to hearing from you.

Thank You,

Cole Salenbien
