

**Bill Schuette**  
Attorney General

This seminar provides practical tools, including internet safety tips and how to: 1) access the Michigan Sex Offender Registry; 2) understand the impact of digital footprints; 3) realize the risk of sharing photos with embedded location information; 4) identify the possible privacy risks of different apps; 5) recognize the potential dangers and legal ramifications of sexting; and 6) identify cyberbully warning signs and develop a plan of action.

This seminar also overviews the student safety programming that has been presented to nearly 2 million Michigan children in kindergarten – 12<sup>th</sup> grade. Students in K - 5<sup>th</sup> grade receive the Michigan Cyber Safety Initiative (CSI), a national, award-winning program that teaches students how to be safe and responsible online. Students in 6<sup>th</sup> - 12<sup>th</sup> grade receive OK2SAY student safety programming covering topics facing youth today, including appropriate online behavior, cyberbullying, and threats to student well-being. Launched in September 2014, OK2SAY provides a confidential way to file tips on criminal activity or potential harm directed at students, school employees, or schools.
