February 8, 2019

Dear Sand Creek Families,

The Sand Creek Board of Education and the Sand Creek Education Association overwhelmingly agreed to add a school day to our school calendar next week. It's certainly been a tough winter for Lenawee county schools this winter. Due to the excessive number of school cancellations over the past 15 days, our school district has already exceeded the number of cancellation days that the state will forgive. Hopefully making up one of these days next week will get us closer to ending our school year in mid- June as planned. This decision means that next Friday, February 15<sup>th</sup> will be a full student day of school at Sand Creek. Next Friday was originally scheduled to be a teacher in-service day. To accommodate the added school day, we've moved the teacher in-service day to Presidents Day on Monday, February 18<sup>th</sup>. Presidents Day remains a day off for all Sand Creek students.

We apologize for any inconveniences that this may cause, but in the end, we feel this is what's best for our students and our school district at this time. Several other Lenawee County school districts have, or are considering, adding school days to their school calendars in this fashion.

Sincerely,

Steven J. Laundra  
Superintendent
